*"The CSB can do it all. From in your face Tower of Power-style brass virtuosity to subtle symphonic nuance, The CSB delivers."*

*Matthew Zimmerman, Wild Sound Minneapolis*

*"Beyond good stage presence and an engaging rapport with the audience, this group is seriously good. The ensemble is tight, and pitch-perfect. Everyone blends well, and it is clear the musicians enjoy playing together."*

*Jim Shearer, New Mexico State University*

"**Evolution in Concert**", the CSB's premiere touring program, has been a hit in communities across the country. This exciting show features music from Mozart to Dave Brubeck to Adele, and has wowed audiences with its innovative blend of musical styles and dazzling fusion of keyboard, guitar and electronic effects with breathtaking brass. We pride ourselves on shattering the divide between listener and performer with their lively banter and audience interaction, bringing people to their feet from Montana to Massachusetts.
